CAREER OBJECTIVE

Enthusiastic frontend developer with hands-on experience in React, HTML, CSS, and JavaScript. Skilled in turning designs into responsive, user-friendly websites and solving UI challenges. Looking to join a collaborative team to grow, learn from others, and contribute to modern web applications while following best coding practices and keeping up with frontend trends.

WORK EXPERIENCE

OREBI – E-commerce Website

React Front-end Developer

- Developed Responsive and user-friendly UI using React.js and Tailwind CSS.
- Built product listing, filtering, cart, and checkout components.
- Integrated reusable components for dynamic content rendering.
- Managed application state using React hooks and props.
- Solved issues related to component re-rendering and state bugs.
- Designed pixel-perfect layout from Figma to code.
- Ensured Responsive design for all devices.
